KOKORONE
HERATFUL

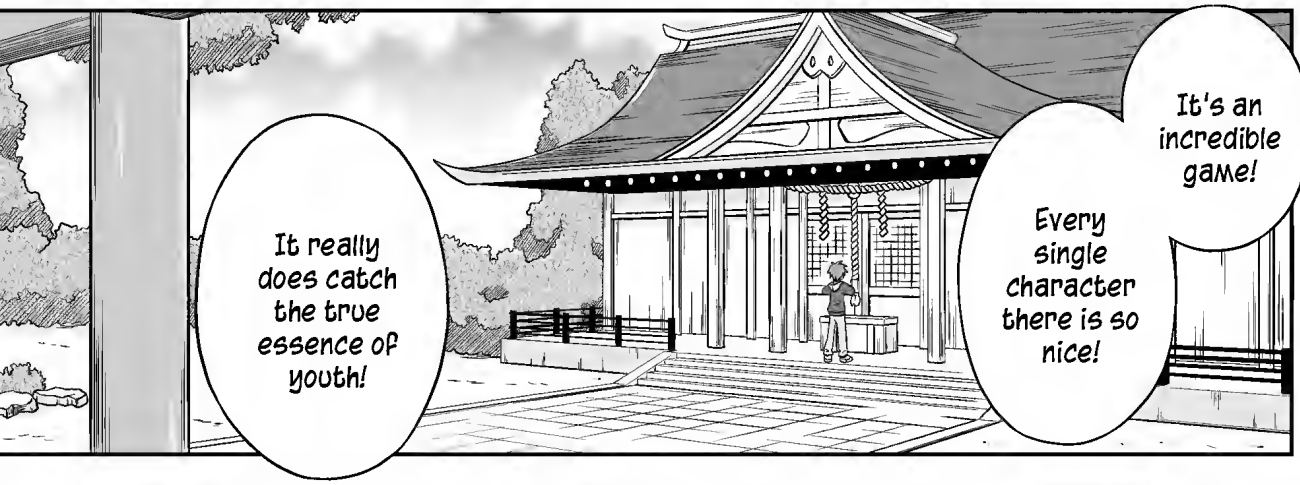
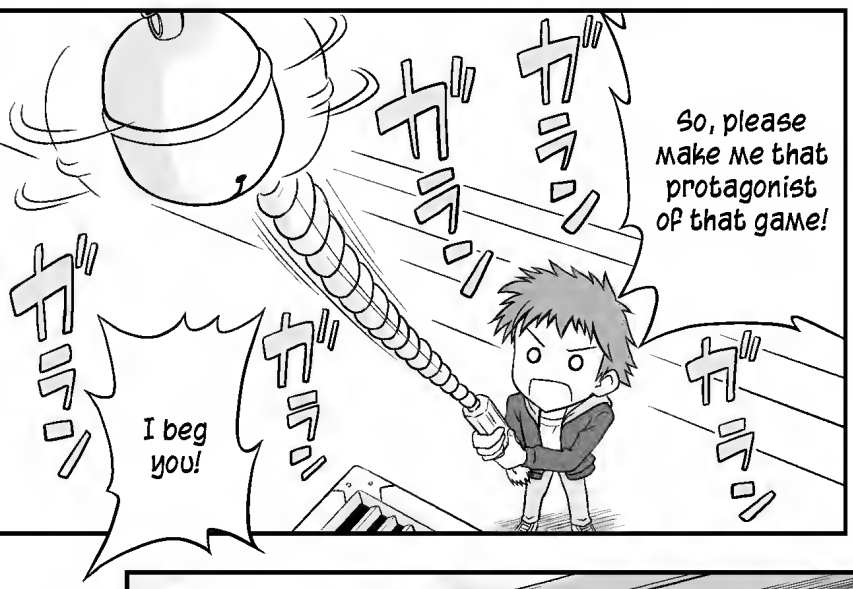
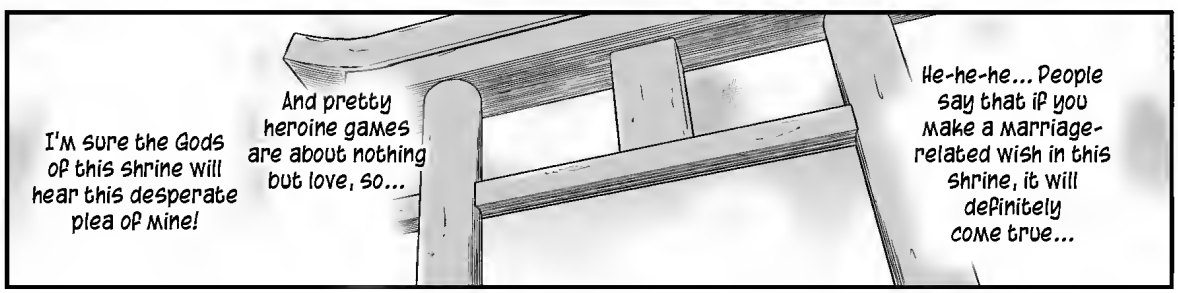
"Kokorone Heartful" is...
A new adult PC game, published by a company called MoonLight...
Although, most people just call it "Kokorone."
It's my most favorite game in the world...
And they have recently published a consumer edition just as well.







He-he-he... People say that if you make a marriage-related wish in this shrine, it will definitely come true...
And pretty heroine games are about nothing but love, so...
I'm sure the Gods of this shrine will hear this desperate plea of mine!

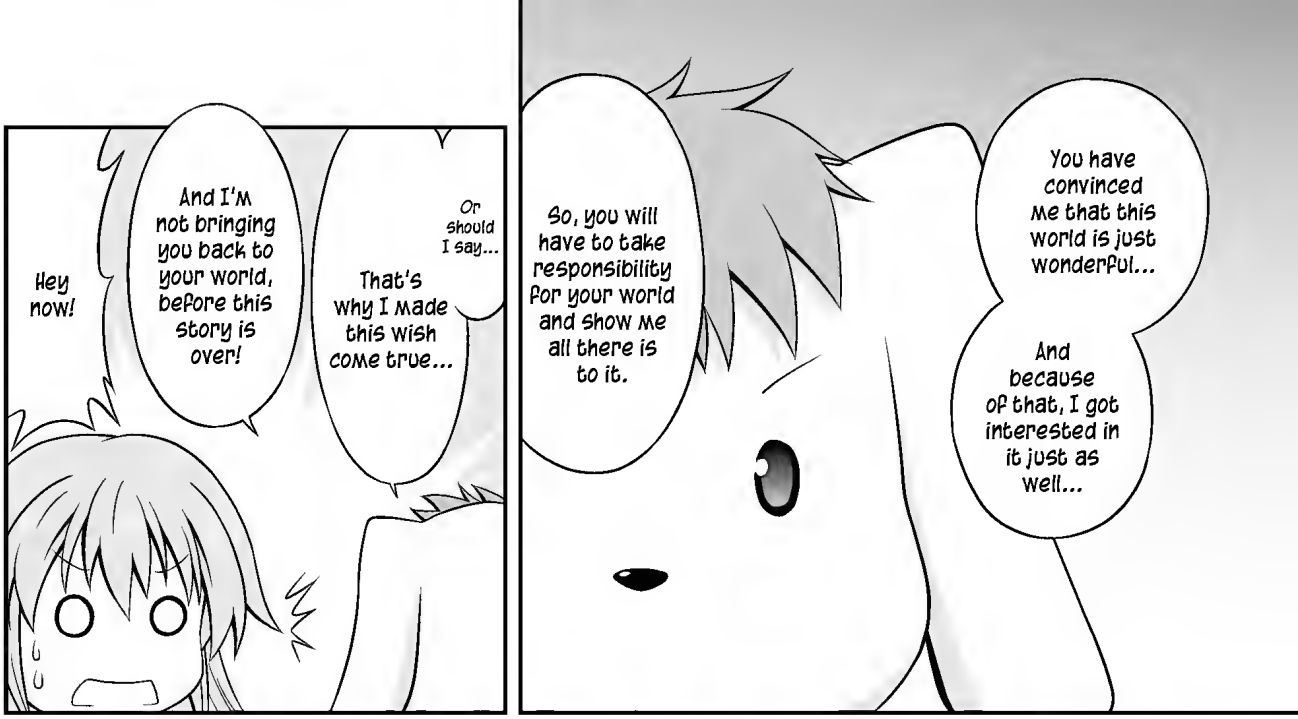
Oh, crap! I forgot my wallet!
Oh, well! Why don't I just offer the Gods this commercial disk for the new consumer edition instead?
Well then...
I'M counting on you!
I did not understand a single word he said!
What the hell was wrong with that guy?
We would like to have a look at it as well!
But...
If there really is a world that wonderful...

Nn...
Huh?
Where am I?
This is the room of Aihara Kokoro, Kokorone's main female character!
Alright!
I really got into the world of my favorite game...
Thank you, Gods!

But wait...
Eh?
What the hell is this!?
びくぅっ
Are you finally awake?
Wha... What the hell is going on?
I'm... Kokoro...
That's Kokoro's stuffed toy!
Hey!
Mimi-tarou!?

So... What do you think?
How do find the world of that game you have offered to us?
I didn't know you could set him up to talk...
Is he some kind of a monster!?
No, I'm a God!
I'm just using this body to talk to you!
You got it all wrong!
I wanted you to turn me into the protagonist of this game!
Huh?
But I thought the girl on the cover was the protagonist, wasn't she?
Eek! You've never seen adult games before, have you?
In these games, the main female character is always featured on the cover!
But the player himself is the protagonist, so nobody draws him!
Why would you expect me to know that?
Anyway, just cancel all of this already!
Let's start it all from the top again!
Don't be silly...
Do you have any idea how hard it was for me to fulfill this stupid wish of yours?



You have convinced me that this world is just wonderful...
And because of that, I got interested in it just as well...
So, you will have to take responsibility for your world and show me all there is to it.
Or should I say...
That's why I made this wish come true...
And I'm not bringing you back to your world, before this story is over!
Hey now!

Eh... But that's...
The end of the story... That means...

ぎゃあああ

Well, it's all the same for me.
The last scene looks completely different from the opposite point of view!
With a man!
I'll... I'll have to do it...

That's right... I should go for a bad ending!
If only I manage to get to an ending where this character doesn't start dating anyone...
I don't really know what you're talking about...
But if I don't see some "bright adolescence," I'm going back alone!
And you can stay here for the rest of your life!
You're a devil!
Well, anyway...
From today on, you're Aihara Kokoro!
So, you should quit talking like a man...
And start acting like that girl!
Because if you start doing whatever you want...
You're going to mess up the whole storyline...
And then, you might render yourself unable to go back to your own world!
Uhh...
Well then, the story is about to begin!
I'll be watching over you from here...
So, do your best now!

You just want me to do it, right?
I'm only telling you to act like you should!
Alright, I got it! Damn it!
すくっ

With the scene where Kokoro wakes up Yuuto, the protagonist...
Well, the story begins...

Kokoro

Although... I'm actually glad I offered him the consumer edition...
The PC version was much more hardcore...

Shinozaki Yuuto...
The protagonist of this game.
His parents had to go abroad for work-related reasons...
And now he lives with his cousin, Kokoro...
Alright...

Wake up, Yuuto...
It is morning already...
Wake up...
Come on...

Wake up now... Come on...
Why do I have to do this?

This sure is one awesome part...
I was supposed to experience all of this myself!

I told you to wake up!

Eegh!

Good morning, Kokoro...
Did you just punch me, by the way?
No...
No way!

Are you mad at me for some reason?
No, not at all!
おほほ

You... You must have just had a bad dream!
すっ
You're right!
You're not that kind of a girl, Kokoro...

By the way, it's really strange...
You never woke me up in your pajamas before!
Egh?

I actually overslept today too...
Eh... Well... You see...
So... Erm...
Kokoro was supposed to be wearing her uniform in this scene!
Crap...
I'll go change right away!

?
That's easy to say, but...
Neverthe-less...
Kokoro

Ahh... This is the underwear of that cute Aihara Kokoro...
But for some reason, I'm her now...
And I'm the one, who's going to have to wear these...
Just where do I begin...
Speaking about changing...
Look the other way, you idiot!
Come on, just get dressed already!
チッ チッ チッ チッ
I just don't get it!
Ah! Come on!
What do I do with this?
Huh? Crap...
ガチャ
You've changed already, right?
What are you doing in there so long?

Ah...
Sorry...

Ah...
Ah...

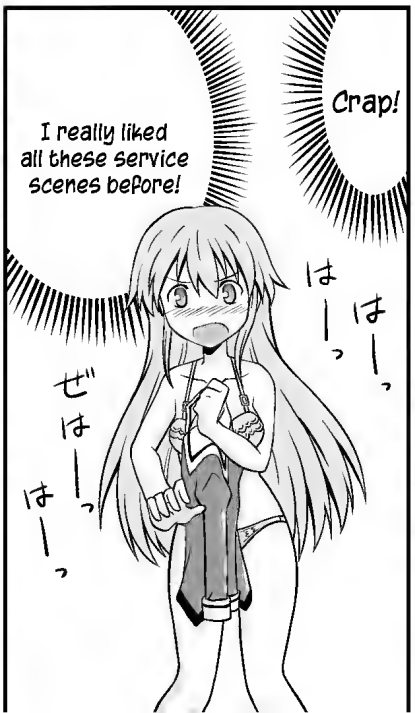
But it's actually extremely frustrating for the one who's being walked on...



Crap!
I really liked all these service scenes before!

Get out!

I got it!
How should I have known you would take that long to get dressed...
Hey... I said I was sorry...
Alright...
But we need to hurry now, or we are going to be late!
But I don't want you to run late because of me too...
So, why don't you just go ahead of me?
Ah...
I feel so miserable talking like a girl...
Ah! Crap!
Sorry, I actually forgot something!
I'll go grab it!
Egh?

And after being told this...
The lovely Kokoro says...

That's the phrase from the first scene...
I see...
Yuuto
I don't want you to run late because of me too, so why don't you just go ahead of me?

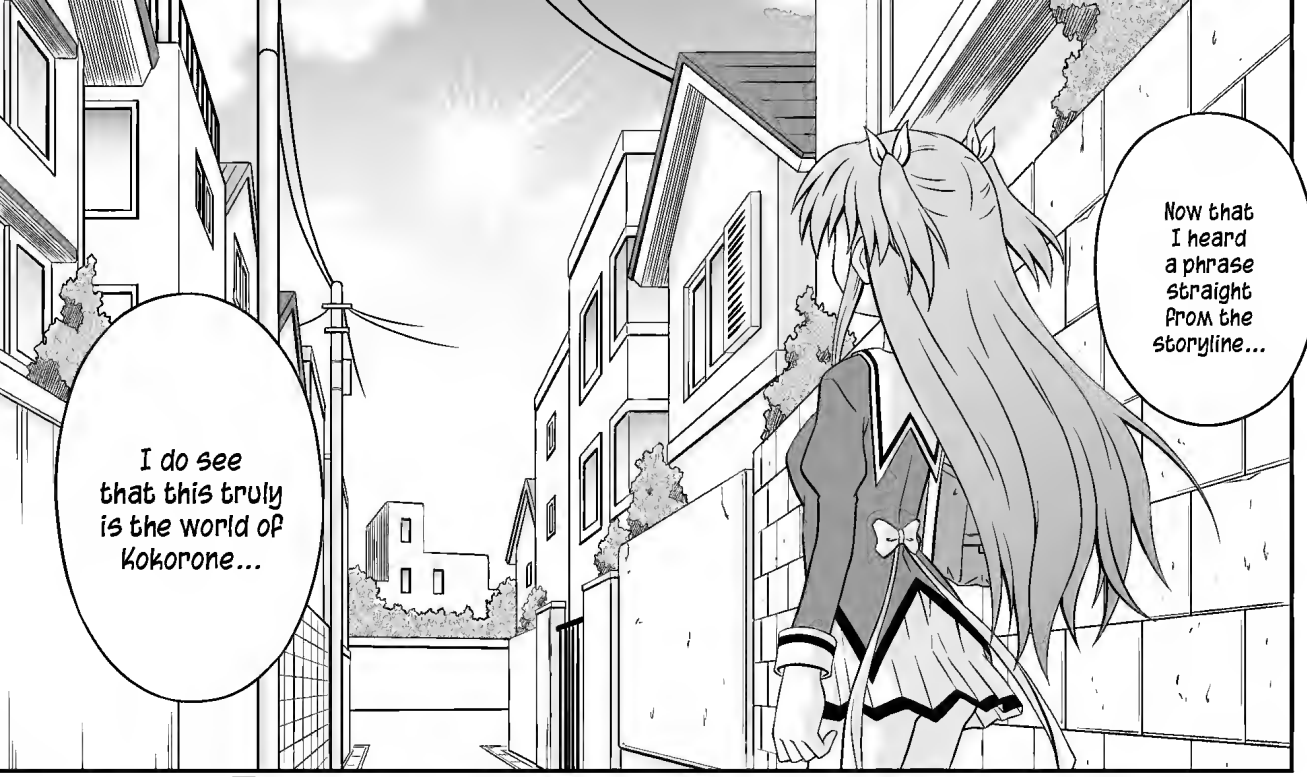
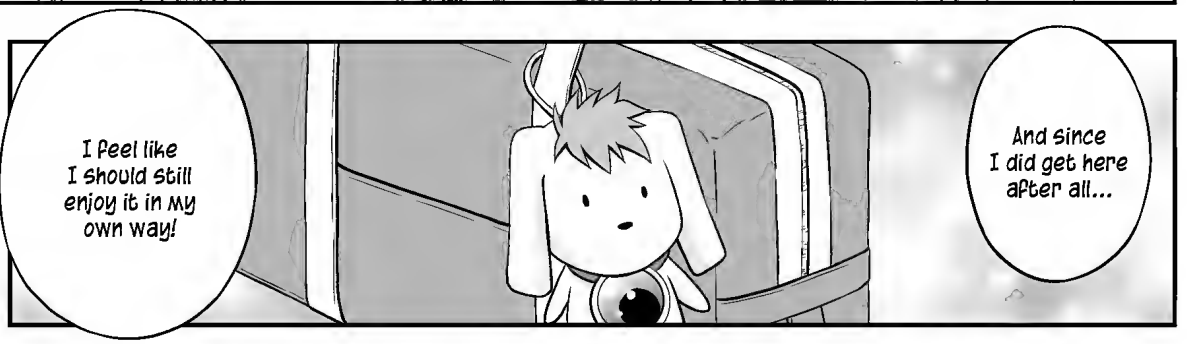
That's alright!
I'll wait for you here!

Well...
I still don't agree that I should be Kokoro, but...

Do you finally feel like doing it?



I do see that this truly is the world of Kokorone...
Now that I heard a phrase straight from the storyline...



I feel like I should still enjoy it in my own way!
And since I did get here after all...

Erm... Well, according to the plot...
I wonder what he forgot.

This entire scene should only take place, so Kokoro could tell him she would wait for him...
Still... He sure is taking a while...

すっ
That's what it is...
Yuuto
I forgot the notebook with my homework...

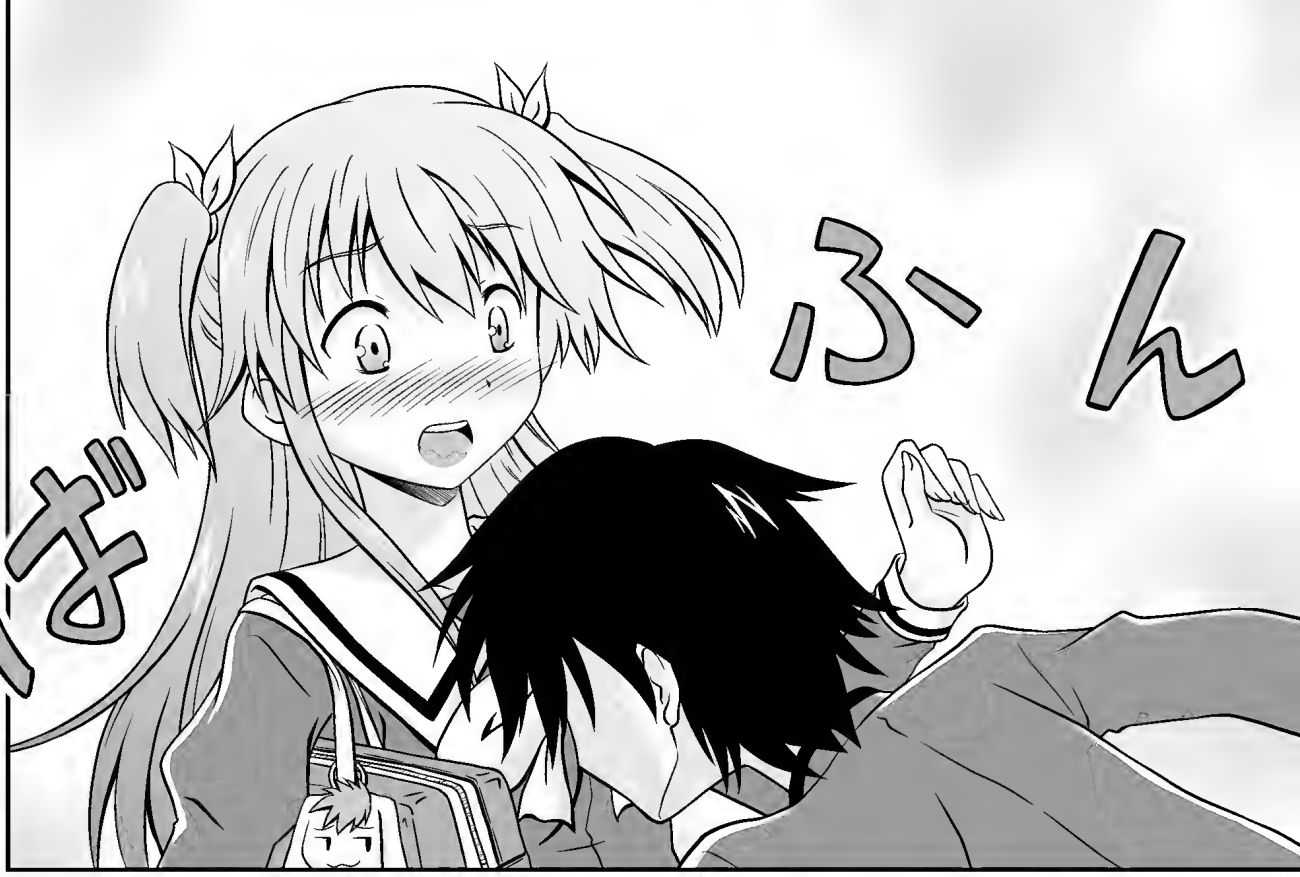
That wasn't in the plot...
He can't find it, because I did something...
Hmm...
He's in trouble because of me!
Well, I can't do that...
Crap! I guess I should go back inside too...
Are you sure?
According to the plot, you should be waiting for him right here!
That's not what it is!
So, you started caring for him too, huh?
ニヤニヤ

I'm so glad...
Oh!
I guess he found it!
Sorry it took me so long!
Anyway, for now, I should...
But he wasn't running towards her like that in the original scene...
I guess what I did was really bad...
Uah!



ばふーん

Sorry...
Ah...
So...

Ah...
Ah...
Ah...

There...
There was...

Alright!
That's what I call adoles-cence!

No such scene!

And that's how...
My life inside an adult game has begun...
Sorry... I said it was my bad!

Alright?
You know, you're not yourself today, Kokoro!
Hey, I told you not to change the plot too much!
Oh, zip it!
I can't do it after all!

# あとがき

皆様こんにちは。矢吹マオです。
この度は「俺なんてギャルゲ？」をお手にとってくださいまして
どうもありがとうございます。

さて、今回のお話はギャルゲーをモチーフにしたお話です。
というのも、まぁこんな話を描くくらいなのでバレバレかとは思うんですが
ギャルゲー大好きなんですよ。

ギャルゲーって、マンガやらアニメやらと比べると、
ページ数や放送時間に制限がない分、キャラクターたちの日常が
物語に本来必要ないくらいのところまで丁寧に描かれてるんですよね。

魅力的なキャラクターたちと一緒に過ごす日常をのぞき見しているうちに
なんだか自分もその一員になってしまった気にさせられるというか
自分も仲間に入れて欲しいなと思うというか、
ギャルゲーの魅力ってそういうところなんじゃないかななんて
個人的には思っています。

別に主人公になってヒロインと恋愛したいとまで思ってるわけじゃないんですよ。
でも面白いギャルゲーのキャラたちってホント魅力的に描かれているので、
主人公の男友達ポジションとかそんなんでいいから
自分も仲間に入れてやってもらえませんかね？　なんてつい思ってしまう、
そういう作品こそが面白いギャルゲーなんじゃないかと。
というかまぁ、ぼくが個人的にそういうゲームが大好きなのです。

で、それじゃあホントに仲間に入れてもらえたとして
主人公や友達キャラじゃなくて、間違ってヒロインになってしまったら……？
というのが、今回の作品のコンセプトです。

ギャルゲーなんかではお約束の、よくよく見かけるちょっとしたシーンなんかも
視点を変えるといろいろ変わってくるんじゃないかと。

ホントはねぇ、もっとお約束なシーンをたくさん描きたかったんですよね。
学校の屋上で皆でお昼だとか、風邪ひいちゃってお見舞いだとか
皆で海に行くとか、マズいジャム食わされるとか、ヒロインが焼死するとか。

ですけどまぁ物語序盤の話だということで
とりあえずはこんなもんじゃないかな、という感じで描いてみました。

彼、いや彼女？　の苦難は始まったばかり。
はてさて、いったいこれからどうなるのか。
それは、ぼくにもまだわかりません……なんてね。オイオイ。
ちょっと続きをいろいろ妄想してみたいななんて思ってるんですけどね。

というわけで、トランスセクシャルぎゃるげちっくコメディ
「俺なんてギャルゲ？」にお付き合いいただきまして、
どうもありがとうございました。
少しでも楽しんでいただけたら幸いでございます。

ってあー……こんなん描いてたらギャルゲーやりたくなってきましたよー。
積んじゃってるやつとかちょっとやってみますかねぇ。うへへ。
